Summary: Added scene for dust in the skies chapter 47 keeping warm.

Rated M for sex. Dust in the skies belong to A.friend 410. Not me. I just wanted to make this and making more it intresting by having the dragons talk during this scene. I do not own HTTYD. and yes I did ask her and she said she was okay with it.

dust in the skies chapter 47 keeping warm added scene

Dust held toothless against the cave wall holding him there with all her might.

Toothless struggled against her to strength but failed.

"I have you just where I want you" dust said to toothless.

"What do you- AHHHH" toothless moaned as dust licked his sensitive stomach.

"Please -Ahhhh" Toothless moaned as dust licked his neck then started to suck on it.

"Please stop for-AHHHHH" Toothless moaned as dust started to lick him from his sweet spot all the way down to you know what.

Dust then saw Toothless's male/dragon hood and put it into her mouth let her tongue streak across it.

"Please-ahhh-don't-ahhhhh-stop-ahhhh." Toothless moaned feeling dust's tongue lick across his dragon hood.

"I'm gonna cum it's about to happen." Toothless said. Then he came.

**this is basically the scene where dust holds toothless on the wall.

The rest is the scene where toothless makes dust submit.
